

Connections Café Menu

The Connections Café is open seasonally and must be scheduled ahead of time with Conference Services. We have a grab and go style setup where guests pick up a tray, grab the items they want, check-out at the register, then exit onto our patio.

Our outdoor patio is covered and well-lit and provides guests with a scenic place to relax, eat, and socialize.

The Café menu currently includes the snack staples and ice cream favorites. Plus with our improved cashier systems we can accept cash, credit card, and most touch-free pay apps!
