TIME FOR SMALL VENUES TO SHINE!

because events are not dead, just different

With many large gathering restrictions still in effect, event planners are seeking to break off and host smaller, more regional events. And now is the time for those small venues to shine!

A smaller venue, especially one in a remote location, offers planners a sense of comfort in their event safety but also a feeling of escape in their 'get away from it all' location.

They actually still are. Ministry events are not done. Christian Retreats Network is still operating to host church camps, retreats and conferences in a safe, Christian environment.

All 10 of our retreat centers offer all-inclusive packages that bundle everything you need to make your event a success: lodging, dining, meeting, and recreation. We find that the per-person package keeps planning simple for you and affordable for your guests.

Send us your vision and we will help you...

- book lodging rooms for guests in either dorm or motel style.
- schedule your buffet meals.
- set up your meeting space with chairs and tables.
- hook up your complimentary A/V/L equipment.
- choose recreation activities to make your church event as fun as possible!
