

Travel Options

BART Shuttle Service

BART Shuttle provides comfortable van service to-and-from Lake Williamson and Lambert St Louis International Airport.

3 or more groups qualify for group rates. To view rates and make reservations you can visit their website at: www.bartshuttle.com

Reservation requests must be made at least 72 hours prior to travel, and paid by MasterCard or Visa credit card.

Amtrak Train Service

Guests can choose to travel by train, as the Amtrak runs from Chicago to St Louis on a regular schedule, with Carlinville, IL being a main stop.

This is also an option for those flying into Lambert Airport that do not want to rent a car. Visit their website for schedules, pricing, and reservations at: www.amtrak.com

Amtrak-CRV (Carlinville, IL Station Address)
128 Alton Road
Carlinville, IL 62626

Macoupin County Public Transit

This public transportation service is a cheap, local option. While the majority of their services are inside the county limits, long distance or group trips can be requested (subject to availability). Check out their website for hours of operation, pricing, and reservation information at: www.mcphd.net

This can be a great option for those needing a ride to-and-from the Amtrak station located in Carlinville, IL.

A Green Cab Taxi Service

Another local taxi option for guests needing transportation to-and-from the airport or train station. Like the MCPT, they also provide errand runs around the town and counties; this is helpful if a guest needs to make an emergency trip to Walmart or a pharmacy.

They have more stations than MCPT, so when you visit their website you will want to click on Carlinville.

You can get detailed information at: www.agreencab.net
